

Warranty Statement

(V2/08/2018)

- ✓ **Core Automotive Components** reserves all rights as the recognised *Agent* and sole distributor of the Mitron brand of automotive components throughout Africa.
- ✓ **Core Automotive Components** is dedicated to extensive research and development to ensure that all of our automotive components conform to the prescribed standards and specifications as determined by the *Original Equipment Manufacturers* in order to ensure the delivery of a premium quality product.
- ✓ **Core Automotive Components** warrants the manufacture of its automotive componentry in terms of materials quality and workmanship to be free of any defect under normal use, serviced and maintained for a period of (twelve) 12 months, or 100,000km whichever occurs first and, is considered in effect as of date of invoice.
- ✓ Where replacement and/or service intervals prescribed by the *Original Equipment Manufacturers* deviate from and/or are shorter than (twelve) 12 months, or, 100,000km, this Warranty will be adjusted accordingly and, is considered in effect as of date of invoice.
- ✓ **Core Automotive Components** reserves the right, in the event of any component failure, in-service or otherwise, to examine the failed engine in its entirety, including but not limited to, all other automotive components associated therewith, damaged or not, and all lubricants and/or fluids that are subject to and/or or related to the claim under this Warranty to determine the exact cause of such failure.
- ✓ Should **Core Automotive Components** acknowledge that a defect in material or workmanship of the component supplied has directly caused and/or contributed to failure of the component and/or engine within the stipulated Warranty conditions, **Core Automotive Components** undertake to replace, free of charge such components without prejudice to **Core Automotive Components**.
- ✓ **Core Automotive Components** accepts no liability whatsoever for any contingent or consequential losses including labour costs arising out of a component/s failure except, on an ex gratia basis at the sole discretion of, but without prejudice to **Core Automotive Components**.
- ✓ This Warranty shall be deemed “*null and void*” in the event that any product/s supplied by **Core Automotive Components** have been altered, modified, inadequately serviced and /or maintained, subjected to abuse or misuse, incorrectly fitted, or used in applications for which they were not designed.
- ✓ *All cylinder blocks, cylinder heads and crankshafts must be thoroughly cleaned prior to assembly, in order to remove any debris and/or anti-rust/corrosion applicants, which may have been applied to all of the above mentioned products during the manufacturing processes which are intended for the preservation of all machined surfaces and surface finish quality.*
- ✓ Warranty claims will only be considered if the engine has been reconditioned, assembled and/or serviced by an industry certified repair and/or assembly technician in an automotive workshop recognized by the Retail Motor Industry Organization.
